● Please be aware of the time because there are little buses in Yunishigawa-onsen. Visitors should leave the train from Asakusa by 2:30 pm at the latest. Because that train connects to the final bus at 5:10 pm toward to Honke-Bankyu from Yunishigawa-Onsen Station. Please be careful that a taxi needs a reservation in advance, they usually do not wait for visitors at this station. We would like you to call us when you will arrive at our hotel after 5:30 p.m. in advance. Because Our Dinner usually starts at 6 p.m.

● If you ride a train bound for Tobu Nikko, please transfer to the train at Shimoimaichi station bound for Yunishigawa-Onsen

☆ is a direct train from Yunishigawa-Onsen Station from Asakusa Station. ★ is the train from Shinjuku station not Asakusa station.

● Honke-Bankyu is in Nikko city, but the city is very wide. Nikko Shrine to our hotel is approximately a 1-hour-and-30-minute ride by train or bus, but due to the complicated transfers involved. So we recommend visitors to sightsee around Nikko on their return from our hotel instead of on the day of stay from Tokyo.
